Promotional Events in UK 27 June – 03 July 2017

The United Kingdom remains the most important market, which represents 18% of total domestic exports from Mauritius.

In order to consolidate trade and business relationship, EM is planning to organise for the **first time** a Buyers Sellers Meeting (BSM) in Manchester & Contact Promotion Programme (CPP) in Birmingham to connect with buyers from the northern part of England. This will be followed by participation in Fashion SVP, London.
