

Gulfood 2016

For the first time, six local agro companies participated in Gulfood, which was held in Dubai World Trade Centre, UAE, from 21st to 25th February 2016. This event is in line with EM's market diversification strategy in order to penetrate new and emerging markets.

The event represented an effective platform for showcasing agro products such as special sugars and sugar cubes, instant noodles, dried noodles, pasta, honey, jams and fruit pastes.

Gulfood 2016 connected Mauritian companies to establish contacts with buyers from such countries as UAE, Oman, Qatar, Saudi Arabia, Jordan, Egypt, Kuwait, Iran, Iraq, Zambia, Seychelles, South Africa, Mauritania, Italy and the UK.
